

Press release of 9th July 2019

Private design plan «AuPark» approved by the municipal council

At its meeting on 8th July 2019, the municipal council of Wädenswil approved the partial revision of land use planning and the associated private design plan for the «AuPark» site. The decision is subject to the optional referendum.

The «AuPark» is a development site of the Intershop Group. In addition to a secondary school («Mittelschule») for the left shore of the Lake Zurich, the «AuPark» will provide just over 200 new apartments as well as additional shopping facilities for the neighbourhood of Au. In the heart of the site, a generous public park including a playground will be built as a connecting element and attractive meeting area for the population of Au.
